**Interview Summary**

An examiner telephone interview was held on August 19, 2009. Examiner Ryan Pitaro and Applicant's attorney Larry Henneman participated in the interview. Applicant appreciates Examiner Pitaro extending the interview and the cooperative nature of the interview.

The Stone reference, PointRight: Experience with Flexible Input Redirection in Interactive Workspaces was discussed. In particular, whether Stone disclosed remapping an absolute input device from one display to another was discussed. Examiner Pitaro indicated that he considered the SmartBoards shown in Figure 2 of Stone to be absolute input devices. Mr.
